# 2018 EHF “Rinck” Convention Master Coach and Licencing Course (Module 1)

11 – 18 January 2018 in Porec / CRO

## Host City - Porec, Croatia

If you are looking for activity, remarkable experiences and rich cultural heritage, Porec with its 100 years of experience in hospitality and supreme tourist offer, is the place for you.

### Feel the touch of eternity!

In this former Roman colony you can enjoy the sights of Romanesque architecture with beautiful Venetian gothic palaces that will make your walk a truly memorable experience. Its orthogonal set of streets has been completely preserved till today! During the reign of the Byzantine emperor Justinian, Porec reached its highest peak. This will become obvious to you once you see the Euphrasius' basilica, beyond doubt a breathtaking sight. It was built in the middle of the 6th century in the Byzantine style, and the mosaics on its front and interior are truly one of the most beautiful works of art in the world! The whole edifice has been included in the UNESCO's World Heritage list. Entering the basilica, you will feel the ghosts of past centuries and will be able to touch the eternity!

We recommend a visit to the mediaeval Romanesque house with an interesting wooden balcony. The gothic pentagonal tower once served as the town gate, and now it is the entrance to an exceptional world of new all-evening gastronomic discoveries.

You can choose among numerous sporting activities. During the last couple of years, Porec has become a popular destination for professional and recreational sportsmen from all over Europe. Find accommodation in one of the numerous camp-sites, apartment villages or hotels, and you will find out why Porec and its surroundings have a reputation for being an exceptional Adriatic tourist center.

Rich tourist offer can also be found in the neighboring small places. Enjoy one of many restaurants and native Istrian taverns with all the enchantments of the real Mediterranean cuisine. Get rid of stress by visiting lovely picturesque villages settled in the hinterland and lead the calm "true Mediterranean" life.

## EHF Methods Commission

---

Introduced in 2000 this convention concerns the mutual recognition of standards and certificates in the field of coaches' education in handball in Europe. From the 6 founding nations it has developed to some 38 signatory nations so far. The 2010 edition of the RC that was adopted by the 2010 congress and paved the way to new roads and activities in order to attract all the not-yet-signatory-nations.

One of the most important step into the future is the introduction of a so called "EHF Master Coach and Licencing Course" organized by the EHF itself. This move has to be seen in the light of an upcoming overall EHF licencing system in the near future. The first issue was the "2012 Open EHF Master Coach and Licencing Course", the second series took place in 2014 and the third series in 2016. In 2018 the next edition of such a high end education course is on offer. The course will consist of three stages and is accessible for all coaches of RINCK Convention signatory countries on level 2 or 3 (confirmed by their Member Federation).

"RINCK" Convention EHF Master Coach and Licencing Course – Module 1: The first module will take place at the EHF EURO 2018 in Porec / CRO from 11 - 18 January 2018. Specific handball topics will be presented by EHF Lecturers theoretically and practically.

"RINCK" Convention EHF Master Coach and Licencing Course – Module 2: The second module of the "Open" course is planned in June / July 2018. This part shall focus on generic items like science of training, proprioception work and issues of psychology and pedagogy linked with coaching and training of teams.

"RINCK" Convention EHF Master Coach and Licencing Course – Module 3: The third part is planned to take place during the EURO for Women in France in December 2018.

Main contents are the defending of the theses by the participants.

Between the second and the third part of the course the participants will have to write a short thesis on a subject chosen by them and this thesis shall be presented and defended in the third part of the course.

After this all "level 3" participants shall be awarded with the diploma "EHF Master Coach" and they will receive the highest EHF licence for coaches, the EHF "PRO Licence".

Participants on level 2 will receive the EHF Coaching Licence, thus promoting individually to level 3 of RINCK Convention.

Following the master plan the next issue of the "EHF Open Master Coach and Licencing Course" shall take place in the year 2020 with identical structure.

We look forward to meeting you. The MC remains with best regards,

**Jerzy Eliasz** / Chairman MC

**Sjors Röttger** / Methods and Coaching

**Peter Kovacs** / Education and Training

**Klaus Feldmann** / Youth, School and Non-competitive Sports

**Pedro Sequeira** / Development
