FIRST ANNOUNCEMENT

SAVE THE DATE

Handball for Life
Cologne/GER, NOVEMBER 21-22, 2019

The European Handball Federation (EHF), the Union of University Handball Teachers (UUHT) and the German Sport University Cologne

kindly invite you to
the 5th EHF Scientific Conference

Handball for Life

The goal of the Conference is to bring professional and scientific experts together in order to reflect on various aspects related to professional handball but also to continue the acquisition of knowledge about medical aspects in our sport.

This year a special emphasis will be put on grassroots handball to underline that interest in sport should be initiated at a very young age and it does not necessarily need to end when we get older.

The official language of the Conference is English.

Conference Topics

- Grassroots handball
- Coaching- related topics
- Medical treatment, injury prevention, rehabilitation, nutrition, mental treatment- relating to indoor and beach handball
